

Kansas City International Pancake Breakfast Fly-in

MCI will be having monthly fly-in breakfasts for the flying public to participate in. Half "Operation Rain Check"- half breakfast meeting, this event is a chance for you to get in your aircraft and do what you love. The purpose of this meeting is to get you flying into Kansas City International Airport to remove some of the "large unapproachable facility" stigma. After landing at MCI, you will get to talk to air traffic controllers face to face about the approach you just flew. You can discuss any questions or concerns in real time.

Directions: Signature Flight Services is right off Runway 19R at B2 intersection. Approach control will do as best as they can to assign Runway 19R for landing. Pancakes and fixins' will be available in the conference room at Signature. Breakfast will be served from 9:00 am - 11:30 am.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
